THE PRACTICE:

Dynamic physician-owned and -led orthopaedic managed service organization seeks a fellowship-trained, board-certified, or board-eligible **Sports Medicine Orthopaedic Surgeon** to join a premier practice-partner in Ohio. Orthopaedic Institute of Dayton (OID) is the region's leading provider of expert musculoskeletal care which serves the needs of its patients through a team of highly trained sub-specialists who are committed to the independent practice of medicine. With three main offices located in Dayton, Tipp City, & Miamisburg, OID has (10) sub-specialty physicians, 7 mid-level providers, MRI facilities, an outpatient surgery center, and 2 rehabilitation suites. As an essential part of our sports medicine service line, our ancillary offerings include advanced imaging and rehabilitation for the complete care of the patient.

OID provides care to patients throughout the Dayton Region, including an immediate drawing area of approximately 1.7M+ in the surrounding counties and an additional 500,000+ in our satellite catchment areas. To better care for these communities, OID seeks a physician to continue the development of our strong sports medicine service line.

JOB QUALIFICATIONS:

- Medical degree (MD or DO) from an accredited medical school
- Valid board certification or eligibility
- Must be fellowship-trained
- Current state medical license and in good standing
- Proven experience as a sports medicine specialist
- Strong diagnostic and clinical skills with the ability to develop effective treatment plans
- Excellent interpersonal and communication skills to collaborate with patients, families, and a multidisciplinary team
- Empathy, compassion, and a patient-centered approach to care
- Ability to handle a fast-paced work environment and manage multiple priorities

THE CITY:

- As the home of the Wright brothers, the city features major historical sites including the Dayton Aviation Heritage National Historical Park and Carillon Historical Park, which houses the original 1905 Wright Flyer III.

- The National Museum of the U.S. Air Force is the world's largest and oldest military aviation museum, offering free admission to explore over 350 aerospace vehicles.
- Dayton is known as the "Outdoor Adventure Capital of the Midwest," featuring the nation's largest network of paved trails (over 350 miles) and unique opportunities like river surfing on the Great Miami River.
- This historic Oregon District neighborhood is a premier destination for nightlife, trendy shopping, and dining along its 12 blocks of brick-paved streets.
- Major cultural institutions include the Dayton Art Institute and the Schuster Performing Arts Center, which hosts the Dayton Philharmonic, Opera, and Ballet.
- Sports fans can catch a Dayton Dragons game at Day Air Ballpark, a team that holds the record for the longest sellout streak in professional sports history.
- Beyond flight, Dayton is the birthplace of the cash register, the automobile self-starter, the pop-top can, and even the Cheez-It.
- The city offers big-city amenities with a significantly lower cost of living than the national average.
